

Bharat Jan Shakti Party - 2024 General Election Manifesto

1. Employment Generation:

We will create 2 crore jobs in the next 5 years by boosting manufacturing, promoting start-ups, and increasing rural employment through MNREGA enhancement.

2. Women Empowerment:

We pledge 33% reservation for women in Parliament and State Assemblies. Financial support schemes and self-help group programs will be expanded.

3. Education:

National Education Mission will be launched to ensure free quality education up to Class 12. Focus on digital classrooms and teacher training.

4. Healthcare:

Ayushman Bharat will be extended to include outpatient care. Every district will have at least one super-specialty hospital within 3 years.

5. Infrastructure:

Rs5 lakh crore will be invested in building rural roads, smart cities, and clean drinking water infrastructure.

6. Environment & Sustainability:

We commit to 40% renewable energy in India's energy mix by 2030. Massive tree plantation drives and river cleaning projects will be launched.

7. Governance:

Corruption-free governance via tech-based monitoring. A citizens' charter for transparency in government services will be implemented.

Jai Hind!
